Comments:

1. The proposed project is located in the northern part of the city, which is characterized by a mix of residential and industrial land uses. The project is situated in a relatively flat area with some minor topographical features. The proposed site is bounded by existing roads and infrastructure, including a major highway to the west and several local roads to the east and south. The site is located in a relatively accessible area, with easy access to public transportation and local amenities.

GE Docker No. 121066

**COMBINED DECLARATION AND POWER OF ATTORNEY
FOR PATENT APPLICATION**

As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe that I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled: DEGENERATE BIRDCAGE RESONATOR FOR MAGNETIC RESONANCE IMAGING, the specification of which is attached hereto.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

I hereby claim foreign priority benefits under Title 35, U.S.C. §119 of any foreign application for patent or inventor's certificate listed below, and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
